

a★team Scholars

You can continue receiving A-Team award money in high school!

Here's how:

- 1) Submit a registration form (required **EVERY** year)
- 2) Maintain 95% attendance (no more than 2 absences)
- 3) Avoid any Ds and Fs
- 4) Submit a copy of your grades to JRJF **EVERY** quarter.

High School 2015-2016 Program Guidelines

Program Details and Guidelines:

- Students will be awarded \$50 scholarships for every A and \$25 scholarships for every B earned per quarter in subjects within following categories: humanities, mathematics, science, and history.
- All awards will be deposited into an interest-bearing 529 College Savings Account.
- Funds earned are solely for higher education and military academies and will be accessible to the student upon graduation from high school and enrollment in a program of higher education.

In order to be an active member of the A-Team Scholars Program, students will follow the guidelines below:

- Enrollment in a high school in Chicago, IL
- Submit completed registration form to the James R. Jordan Foundation **EVERY** year throughout high school
- Submit copy of report card to the James R. Jordan Foundation **EVERY quarter**
- Maintain 95% attendance throughout the quarter
- Avoid grades of D or F, as these will cancel any money earned for A's & B's.
- Update the James R. Jordan Foundation with any changes in address and/or phone number (contact information on other side).

A-Team Scholars Parent & Guardian Expectations

As the parent or guardian of an A-Team Scholar, you play perhaps the most important role in ensuring your student achieves to their highest potential. We may provide the scholarship, but you provide the love, support, and encouragement they need to succeed.

As an A-Team Parent or Guardian, I Pledge:

- To do what is necessary to ensure my child excels academically.
- To do what is necessary to make sure my child arrives to school on time and in uniform.
- To ensure my child's report card is submitted to the James R. Jordan Foundation **EVERY quarter** while they are in high school.
- To continually talk to my child about the importance of continuing his/her education after high school graduation.
- To assist my child in continuing his/her education after high school.
- To seek the help my student needs when his/her needs go beyond my own knowledge, experience, and skills.
- To update the James R. Jordan Foundation with any address or phone number changes throughout enrollment in the A-Team Scholars Program.
- To be first and foremost a source of love and support for my child.

If you have any questions, please do not hesitate to contact me!
